

Custom CD's

Mix your message with world-class music on a branded compact disc and what have you got? One hot marketing program!

For less than the cost of a mug, you can delight your customers with a gift they will enjoy over and over--while cannily creating the perception that you spent far more that you did.

And our CD's sound terrific. They feature Grammy winners and nominees playing in an awesome variety of styles.

We'll nestle your CD in striking custom packaging to complete the presentation.

Clients include:

Abbott Laboratories

Synopsis
Xerox

**“Music hath charms to
soothe a savage beast.
To soften rocks, or bend
a knotted oak.”**

— William Congreve
